

# Anti-Aging Products List

## NMN

( $\beta$ -Nicotinamide Mononucleotide)

Quality Assurance:

- Tested by 3rd-Party Labs
- Stable Output
- High Purity

NR(Nicotinamide Riboside Chloride)

NAD(B-Nicotinamide Adenine Dinucleotide)

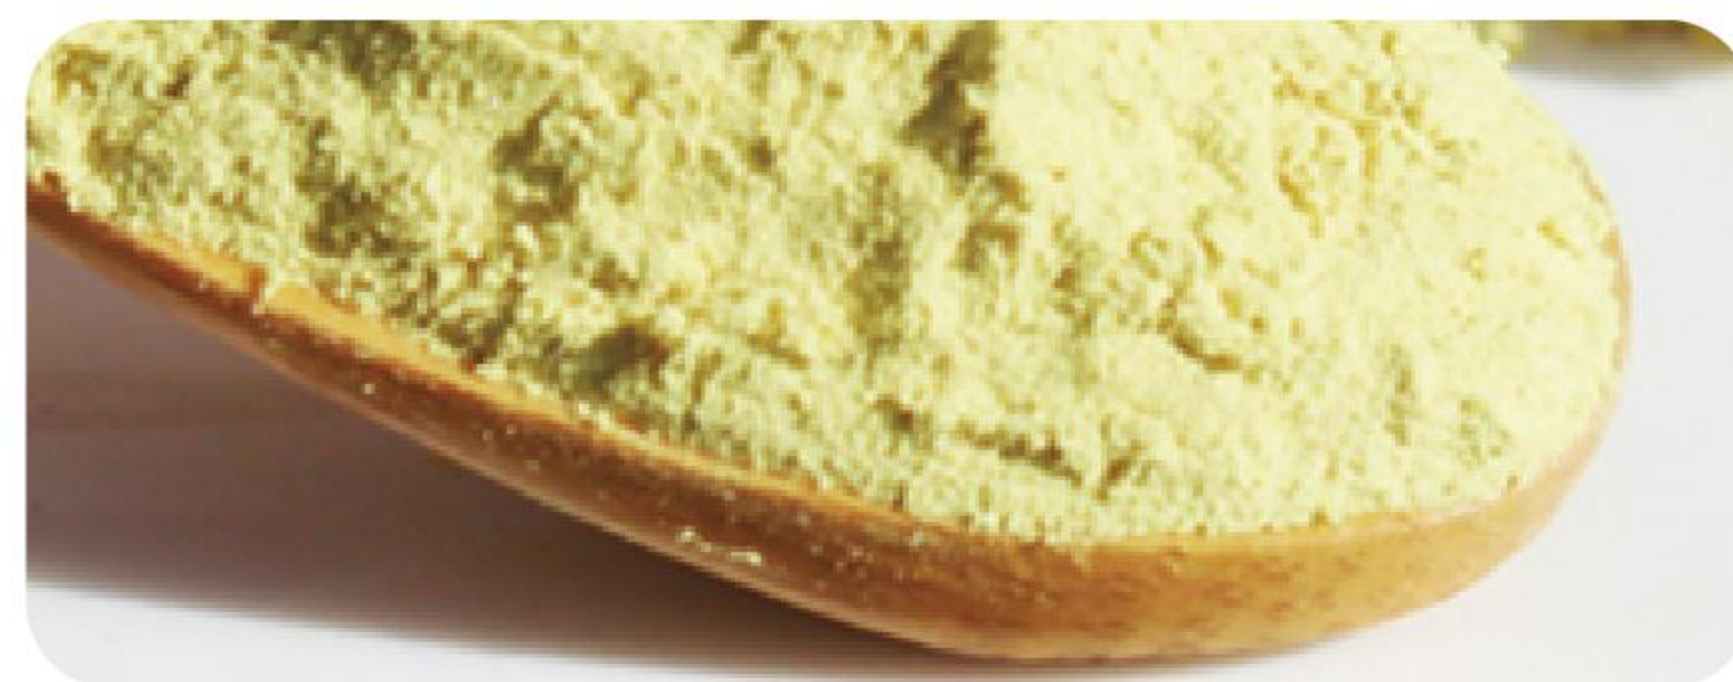

## Hot Formulated Products with NMN

### Polygonum Cuspidatum Extract

Spec.:Trans-Resveratrol 98%

### Cotinus Coggygia Extract

Spec.:Fisetin 98%

### Sophora Japonica Extract

Spec.:Quercetin 95%

### Pterostilbene 99%

# Anti-Aging Products List

## Quercetin

Cas No.: 117-39-5

Spec.:95%

From: Sophora Japonica Buds

Efficacy: Free Radical Seavenging,  
Improves Immunity, Supports Healthy  
Blood Pressure and Cholesterol Levels

### Trans-Resveratrol

Spec.:50% 98%

Cas No.: 501-36-0

From: Polygonum Cuspidatum Root

Efficacy: Against Free Radical Damage, Crosses  
theBlood-Brain Barrier, Improves Cardiovascular  
Health

### Pterostilbene

Spec.:99%

Cas No.: 537-42-8

Process: Synthetic

Efficacy: Supports Mitochondrial Funetion,  
ImprovesMetabolism, Promotes Cardiovascular  
Health

### Fisetin

Spec.:10%50% 80-85% 98%

Cas No.: 528-48-3

From: Cotinus Coggygria Leaves and Branches

Efficacy: Promotes Mitochondrial Function, Improves  
BrainHealth, Supports the Nervous System

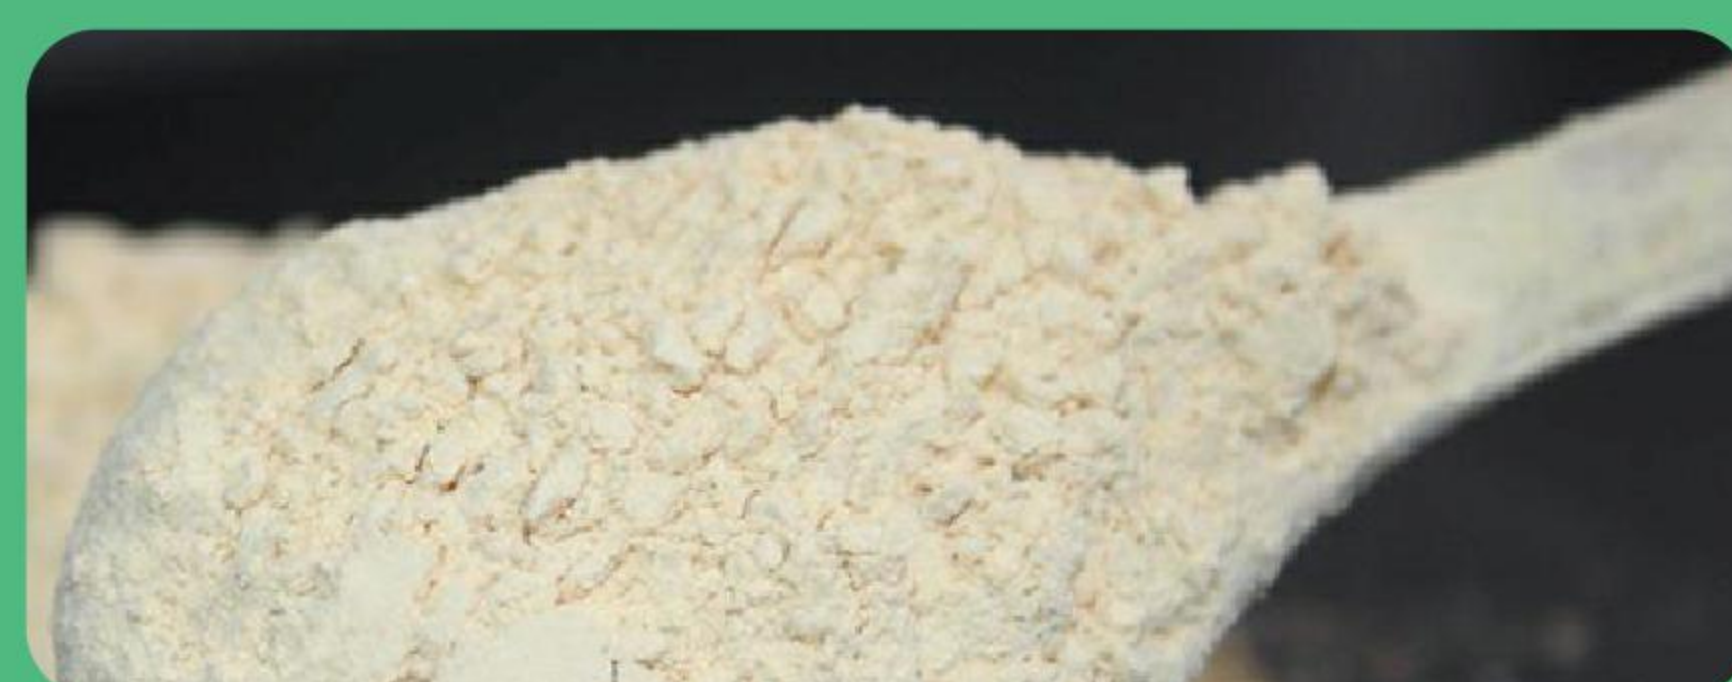

### Apigenin

Spec.:98%

Cas No.: 520-36-5

Process: Semi-Synthetic

Efficacy: Protects Prostate Health, Promotes Glucose-  
Metabolism, Stress Relief

# Anti-Aging Products List

## Luteolin

Cas No.: 491-70-3

Spec.: 85% 95%

From: Sophora Japonica

Efficacy: Against Mitochondrial Aging,  
Improves Brain Health, Anti-Inflammatory

### Spermidine Trihydrochloride

Spec.:98%

Cas No.: 334-50-9

Process: Synthetic

Efficacy: Induces Autophagy in the Cell, Improves Cardiovascular Health, Supports Fertility Health

### Ergothioneine

Spec.:98%

Cas No.:497-30-3

Process: Fermentation

Efficacy: Supports Cellular Energy, Protects Brain Health, Improves Cardiovascular Health

### Calcium Alpha-Ketoglutarate

Spec.:89%

Cas No.:402726-78-7

Process: Synthetic

Efficacy: Supports Bones, Skin and Intestinal Health, Improves Muscle Recovery, Promotes Cellular Energy

### Pyrroloquinolinequinone

Disodium Salt(PQQ) Spec.:99%

Cas No.:122628-50-6

Process: Fermentation /Synthetic

Efficacy: Supports Mitochondrial Function, Promotes the Nervous System, Protects Cardiovascular and the Liver Health
